

NORTH SIDE NEWS.**Congressman Anthony Tells Civic Club of Military Highway****Says It Will Be of Great Benefit to North Topeka.****MR. BILLARD TALKS.****Scott Hopkins Makes Plea For the State Fair Bonds.****First Annual Banquet Proves a Decided Success.**

"With an organization you can do anything. If the North side people will stay by the Civic club, the North side undoubtedly will win."

This is the statement made by D. R. Anthony, candidate for congress from the First district, at the first annual "Boosters' banquet" given by the Civic club at Lukens' opera house last night. Mr. Anthony had a leisure hour in Topeka and addressed the gathering.

Mr. Anthony mentioned the proposition he has been advocating in congress for the construction of a government highway from Fort Leavenworth to Fort Riley by the use of convict labor. He said that three surveys for this road had been made and that all of them passed through the North side.

The banquet was a great success. No charges were made. Guests were admitted by ticket. Upon entering the opera house the guests took seats in the gallery and filled every seat. At 8 o'clock they came down stairs where about eight tables were ready. These extended the length of the room. Over 300 were present, including the Civic club officials.

Darius Brown, mayor of Kansas City, Mo., a former North side man, who was to speak was unable to be present. However, several other prominent men besides Mr. Anthony, made short talks. Ex-Councilman Jordan was toast master.

Scott Hopkins, treasurer to the State Fair association, urged that the state fair bonds be supported. In addition he stated that when he attended the Socialist meeting at the Auditorium before coming to the banquet the remarks of the editor of the Appeal to Reason had made the chills go down his back and that he was glad to come to the banquet where he was among friends.

Mayor J. B. Billard, president of the Civic club, did not touch on politics or prohibition in his remarks, but confined his talk to congratulating the club upon the progress made and said that by working together much more could be accomplished.

Pleas for Playgrounds. E. I. Stanley, principal of the Quincy school, made plea for interest in the playground movement as related to the Quincy school. He said the North side children deserved as much consideration.

How to Make Fint of the Best Cough Syrup and Save \$2

This recipe for home-made cough remedy is used and prized in thousands of homes in the United States and Canada. It costs little, but it is splendid. Even whooping cough yields to it quickly.

Mix one pint of granulated sugar and 1/2 pint of warm water and stir for two minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle and add the Sugar Syrup. This makes more of the best cough syrup than you could buy ready-made for \$2.50. Take a teaspoonful every one, two or three hours.

This simple remedy will quickly stop a deep-seated cough in less than 24 hours. It tones up the appetite, has a pleasant taste and is slightly laxative, which is helpful. You will also find it splendid for bronchial troubles, lung and throat affections, asthma, etc.

This Pinex and Sugar Syrup recipe is so popular that it is often imitated, though never successfully. In trying it, use only the pure, genuine Pinex, which contains guaiac and all the natural healing elements of Norwegian white pine extract, in concentrated compound. A guarantee of absolute satisfaction, or money refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

HAD SCRATCHED FOR 28 YEARS**Till It Got to be Second Nature—Suffering Endless and Without Relief—Cuticura Made Skin as Clear as a Baby's.**

"If I had known of the Cuticura Remedies fifty years ago it would have saved me two hundred dollars and an immense amount of suffering. My disease (psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly over my body and got under my nails. The scales would drop off of me all the time and my suffering was endless and without relief. A thousand dollars would not tempt me to have this disease over again. I am a poor man but feel that I am entitled to what some of the doctors called leprosy, scabies, ringworm, psoriasis, etc. I took—and a half pint of Cuticura—over a year and the Cuticura Remedies too much. They made my skin as clear and free from scales as a baby's. All I used of them was two cakes of Cuticura Soap, three boxes of Cuticura Ointment and three bottles of Cuticura Resolvent. If you had been there and said you would have cured me for two hundred dollars, you would have had the money. I was covered with the scales but by using Cuticura I was soon as clear as any person ever was. This was over twenty-two years ago and for a long time, through force of habit, I used to rub my hands over my arms and legs to scratch, but to no purpose—I was well. I had scratched twenty-eight years and it got to be a kind of second nature to me. Dennis Downing, Waterbury, Vt., November 27, 1909."

Cuticura is the most economical treatment for affections of the skin and scalp. A cake of Cuticura Soap and a box of Cuticura Ointment are often sufficient. Sold throughout the world. Foster Drug House, Corp., Sole Props., Boston. ⁵⁰Mail Order. ²⁵Page Cuticura book, an authority on the skin.

tion in this matter as those of any other part of Topeka—that the boys and girls of the North side were something to be proud of, and of course the children were a reflection of their parents.

Rev. J. W. Waldron, pastor of the Kansas Avenue M. E. church, told several stories. Among them was one in which a passenger on a train kept bothering the Irish baggage man regarding the safety of his trunk. Finally the Irishman said that he wished the passenger had been an elephant instead of an ass so that his trunk would have been always before him.

Rev. W. J. Cole, pastor of the North Side Baptist church, also gave some amusing anecdotes. In speaking of what had revived Civic club to make it capable of producing such a fine banquet he related the story of the farmer's goat. It had escaped from a stall at a state fair and had chewed up a prize rooster's tail. When the owner milked the goat the next day, he got a bucket of fine cock-tail.

The Glee club, composed of W. M. Van Ness, Paul B. Van Ness, C. C. Berry, C. C. Nicholson, L. E. Anderson, Claude Shields, Raymond Diffenderfer and Alex McDonald, sang several selections. Miss Ona May Miller rendered solos with her own accompaniment on the piano. The band played several excellent readings. Mrs. W. L. Hofer gave a couple of recitations.

Those who waited on tables included: Mrs. Sherburn, Mrs. W. S. Hayslip, Mrs. R. A. Miller, Mrs. Rome Colvin, Mrs. Dible, Mrs. Hanlan, Mrs. Overton, Mrs. Conwell, Mrs. Suit, Miss Bessie Beyer, Miss Emma Bergum, Miss Ruth Adams, Miss Kate Hall and Miss Jessie Campbell.

Mr. Anthony said in part:

Notes Improvements. "I have wondered as I passed through Topeka on the Union Pacific what had brightened up this part of the city. Four or five years ago, I always looked at this section of Topeka as the jumping off place. Now I lay the blame of the prosperous appearance at the door of the Civic club."

"It takes organization to win in anything, in business, in religion and politics. The Civic club is similar to our Greater Leavenworth club, but you have the ladies to help. When I got back home I am going to urge our people to co-operate with the ladies."

"I must say a few words about a proposition which affects the First ward of Topeka. In our city we have 3,000 prisoners, most of whom are employed in building the new prison which they will occupy. It will be completed within a year. What to do with them when it is finished is a problem. It would be criminal to keep them in idleness and unfair to put them at work manufacturing in competition with outside labor."

"Down at Washington I have been urging a measure for a highway from Fort Leavenworth to Fort Riley. Three surveys for this road have been made and all of them pass through the North side. I believe that the convict labor should be employed in building this highway although at first it was said that the government should not build roads within the state. Now, the committee considering the proposition has reported favorably upon it and it will come to a vote in December. I hope to see it pass."

Mr. Billard's speech in part follows: "I didn't expect to make a speech. I couldn't make one. However, I am glad to meet you. I am proud to be connected with the Civic club. From I think of how we have rebuilt the North side since the desolation of a few years ago. I think not only the club, but the people have accomplished wonders. And by the co-operation with the club, much more may be accomplished. I am proud of what we have done in this banquet and I want to thank the ladies of the Eastern Star for their help."

Talks for Fair Bonds.

Mr. Hopkins said among other things:

"I cannot help thinking as I am here tonight of two other meetings in the city at the present time which are of vital interest to it. One is the foreign night-school—the melting pot in which Europeans are being made into American citizens. The other is the Socialist meeting at the auditorium. There the most notorious Socialist in the state, the editor of the 'Appeal to Reason,' of Girard, said things in giving his ideas of government, which caused the chills to go down my back."

"I want to speak of a proposition in which the city of Topeka and the state of Kansas is vitally interested. That is the state fair. Before the people of the state will come to our support in this matter we have to show them what we could do. We have raised all together by private subscription \$40,000 and have invested it in grounds and buildings and next year we can take care of a bigger crowd at the fair more easily than the one of this year. "If we vote the \$50,000 bonds, we are not investing in something to make profit for private individuals but putting our money into a stock company."

Notes and Personal.

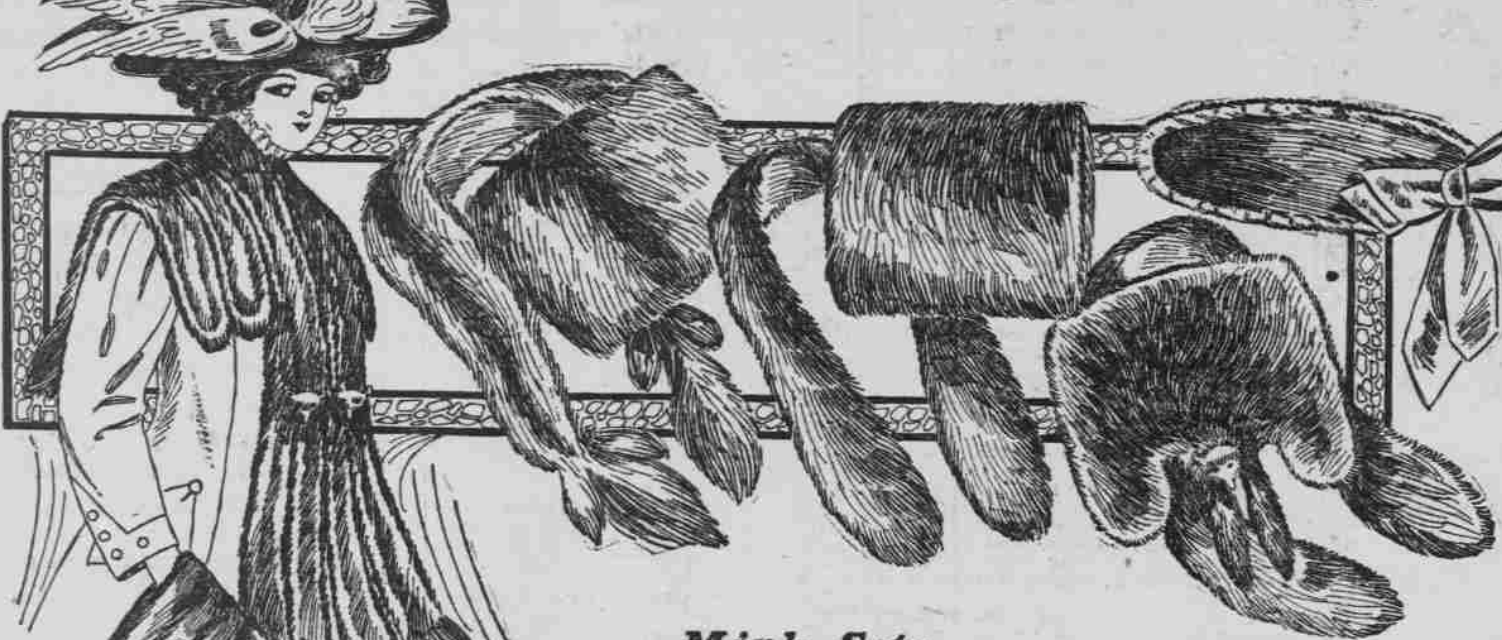

Dr. A. P. Davis came across an old scrap book today which he had found in an abandoned house in Mississippi in Civil war times. The book among other things contains a clipping from the Congressional Globe of Washington, D. C., of October 12, 1858.

The paper contains copies of the standing rules and orders for conducting business in the house of representatives compiled from various sources dating from 1789 to 1856.

It also contains a time card for the Baltimore and Ohio railroad station that "two trains are now run daily except Sunday from Washington for the west as follows: "The Cincinnati, St. Louis and Chicago express connection leaves Wash-

A Beautiful Collection of Valuable Furs

When a woman puts money into furs she needs to be very sure that she is getting all she is entitled to in correct style as well as quality. One is quite as important as the other in these days of fastidious dressing. Every woman of judgment who inspects the splendid furs that compose our new stocks will immediately concede their great worth at the prices, and will be impressed with the perfect taste shown in all the styles, no matter what the price. Our furriers had the earliest choosing from the choicest skins obtainable in the market—and employed the highest skilled workmen to make them up to our order. No furs purchased later can compare with these for value or beauty. Later-bought furs are necessarily second choice—because of the increasing scarcity and rising prices of skins. Therefore you must buy early to get the best selections.

Moreover, this will be the greatest fur-selling season that has been known since the last radical change in fur styles. Very marked changes are now shown.

"Small furs" have almost entirely disappeared. We now have broad capes, shawls, peleries, barrel and huge pillow muffs.

Many unusual furs are also used—among them, Black Lynx, Siberian Lynx, Moire French Hare, Flying Fox, Civet-cat and Fisher. In our stocks will be found most of the novelty furs which can be depended upon for satisfactory wear, as well as complete assortments of all the staple furs.

Mail Orders

You can buy furs satisfactorily through our Kansas Mail Order Service. Write us about kinds and prices desired and we will give full description from which you can select such furs as you wish sent on approval, or by express C. O. D. with privilege of inspection. We pay express on approval orders one way when selections are made from goods sent.
